## From the Principal

Dear Parents and Carers,

Welcome to the final newsletter for term two. It has been a busy term and a rewarding one. It has been great to see so many students sent to the office to show their good work and it is always a pleasure to visit classrooms to see what students are learning and I look forward to that continuing next term. Last week the school held Book fair which was a huge success.

### SCHOOL CODE

As an Independent Public School we are excited to reveal some small but important updates to our School Code. With success for our students being at the centre of everything we do, the updated School Code adds in statements about problem solving, perseverance and cooperation. These are important elements that help define what high performance teaching needs to create within students. It also emphasizes the important skill of resilience, to create the lifelong learning success for our students. We engaged our staff, the School Board and students in helping to update our School Code, as we continue our success as an Independent Public School.

We will commence use of the updated School Code from Semester Two

Kardinya Primary School Code 2018

***Care, Pride, Trust and Respect  
to my school and all who attend.  
It will be my aim to set good examples  
for others to follow.***

***I will be a successful learner through  
problem solving, perseverance and cooperation.***

***I choose to display responsibility,  
learn from my mistakes and show resilience.  
These important skills will guide me as I "Learn for Life"!***

### SEMESTER 1 REPORTS

Student reports were sent home electronically yesterday unless you requested a paper copy. Please take the time to read through the report and discuss with your child/ren areas they need to work on as well as congratulating them on their positive efforts. If you have any questions regarding the report please make an appointment to meet with your child's teacher. The timeframe for the online reports is four weeks so please ensure you save and/or print the reports during this time.

### TERM THREE

Mrs Kozak-Calabrese will be taking Long Service Leave for Semester Two and we welcome Ms Wallace to KPS as our new Year Three teacher. I will be taking Long Service Leave during week one and Mrs Dianne Green will be the acting principal in my absence.

### FROM THE STUDENT LEADERSHIP GROUP @ KPS

We have been busy over this first semester getting new initiatives off the ground. Baileigh and Clara put a smile on everyone's faces with their weekly jokes.

This week we made cupcakes and iced them to acknowledge people around the school who help us or do a great job with our Random Act of Kindness. We look forward to doing these again next term and giving a warm fuzzy to lots of other people who make our school a special place.

We have also been working on our school radio program.

Twice a week at lunch time a pair of student leaders puts together a program including song requests, news items, interviews with interesting people, sports results and events updates. It is very rewarding looking out into the undercover area and watching students dance and sing along with us.

Next term we are working on some exciting fundraising ideas and ways to assist in the wellbeing of all students at Kardinya Primary School.

Have a relaxing, safe and enjoyable holiday with your families. See you all for another action packed Term Three on Monday 16 July.

***Together we promote "Learning for Life"***

## FACTION CROSS COUNTRY CARNIVAL

All competing students displayed great effort and determination in finishing their cross country course last Thursday.
