Vegetemite or Jam Scrolls

We would love to share one of our favourite recipes from OSHClub.

Ingredients:

- Frozen puff pastry sheets
- jam or vegemite
- Cheese

Put the Jam or vegemite and cheese on pastry. Roll up the pastry into a long scroll, slice sections of scroll with a sharp knife. Pop into the oven for 10-15 minutes.

Service Update

Thank you parents for your outstanding support in regards to booking your child into the new system in advance as it makes the planning for the session easier.

We had many creative themes during Term 2. Check out our reflection journal at the sign in desk for photos. Children express ideas and make meaning using a range of media. Parent feedback and suggestion are always welcome.

We have been working hard to get more involved with the Salvation Army donations. So please don't forget to donate something warm (blankets, socks, beanies, gloves...) this month.

Thank you for your support.
