## From the Principal

Welcome back to Term Three. I trust everyone had a restful and safe holiday. We have another very busy term ahead with Edu dance, Science Week, Book week and our athletics carnival just to name a few.

Responsibility is one of Kardinya Primary School's five dispositions and has been our focus for the first two weeks of this term.

### What is Responsibility?

When asked what traits parents would like their children to have now and as adults, one of the most common responses is "to be responsible." This is a broad term which means many different things, including:

- being dependable so people know they can count on you,
- keeping one's word and agreements,
- meeting one's commitments,
- doing something to the best of one's ability,
- being accountable for one's behavior,
- accepting credit when you do things right and acknowledging mistakes,
- being a contributing member of one's family, community and society.

Being responsible is a key to children's success both in school and in the larger world when they grow up.

### Obedience vs. Responsibility

People often confuse obedience with responsibility.

Most parents would love their children to do what the parent asks, to follow directions and to not question their authority – understandable and important goals when raising children. However, this is not responsibility!! These behaviors would be classified as **obedience**.

Over time, most parents want children to accept ownership for a task or chore – the children do it because it needs to be done and accept that it is their obligation to do it. Over time, they may even initiate doing a task "because it needs to be done" – not because they are being told to do it. This attitude would be called **responsibility**.

Parents may have to give up having things done exactly as they would like them to be done and on their exact timetable in order for a child to move from obedience to responsibility. But allowing a **child to "do it his way" will encourage a feeling of pride in accomplishment and foster a sense of responsibility.**

## INTERSCHOOL CROSS COUNTRY

The Interschool Cross Country squad are putting all their efforts into their training in preparation for next week's interschool meet at Brentwood Primary School. We wish them well for the remainder of their training and especially when they are competing next week.

Race times are:

Year 4 Girls - 9.15	Year 4 Boys - 9.25
Year 5 Girls - 9.35	Year 5 Boys - 9.45
Year 6 Girls - 9.55	Year 6 Boys - 10.05

# Lost Property

## NAMES ON STUDENTS' CLOTHING

We have a lot of lost property at the moment. A lot of these items are without names which makes it difficult to return to the owners. Please make sure names are written with a permanent marker on the inside of the collar to make ownership visible.

Hopefully this way we'll be able to return lost items quickly.

# LOTE

Selamat Datang kembali ke sekolah!  
Welcome back to school!

In Indonesian this term the students will be learning about the following topics and vocabulary associated with them:

Year 1/2 – This will be an introduction to Indonesian. We will discuss where Indonesia is and identify that Bali is a part of Indonesia. We will learn how to greet each other, use basic manners, colour names and numbers to 10.

Year 2 – We will be learning about 'My Body' or 'Badan saya'. We will also be revising greetings, colours and numbers, especially when talking about our bodies and describing body parts, such as hair and eyes etc

Year 3 – The Year 3 children will also be learning about 'Badan saya', but with the added context of Indonesian culture.

I am looking forward to another busy term and getting to know the students even more this semester.

Salam hangat (Warm regards)  
Ibu Ridout (Mrs Ridout)

# Sustainability

Trash Free Tuesdays has officially started in Week 2 and will continue throughout the year. You can help reduce the amount of waste by packing crunch, recess and lunch in a reusable container.

In every class, there is a poster competition for promoting Trash Free Tuesdays and the winners will be announced during the assembly in Week 4.

## KARDINYA PRIMARY SCHOOL P & C ASSOCIATION INC.

### Term Three dates for your diary:

Disco – 10th August. Notes will go home this week with a slip to fill in and return to buy tickets. No dress up theme this year...the students can just wear their best dancing gear!

Fathers day stall- 30<sup>th</sup> and 31<sup>st</sup> August (note date change from Term 3 planner to avoid clashing with School Open Night)

Retro Bingo Night – 8<sup>th</sup> September at the Kardinya Bowling Club. This one is for the Adults. Get your tables organised and more info to come soon!!

### Canteen:

Thanks to the incredible generosity of volunteers from our school community, we are excited to share with you that the School Canteen, Kardy Café, will be reopening 1 day per week. This will be supported by the P&C. The opening date is yet to be confirmed.

This will be a purely volunteer service and will be on a **trial basis only**, reassessed every term. As before, usage of the canteen service will be monitored, if it is a service not being utilised by our school community, it will not be sustainable. Keeping the canteen open will also rely on maintaining a roster of volunteers.

We remain committed to maintaining compliance with the Healthy Food and Drink Policy, so a core group of volunteers will be trained in this, in addition to Food Safety Handling and Food Allergies.

More details will be circulated as they are confirmed.

Thank you to everyone who has responded to our call for volunteers, and thank you for your support

# Rex the Baudin's Cockatoo

B1 and B2 were lucky to have a visit from Rex the Baudin's Cockatoo. Rex came to KPS with Candice and Dave from Karrakin, the black cockatoo rescue centre. Candice told us about the black cockatoos and how we can help to protect these amazing birds that we are lucky to have in our community. We also had a talk from Chris, a wildlife vet from Murdoch University. She showed us how the birds are tracked using GPS technology. It was very interesting. Thanks to Chris for organising this visit for us.
