From the Principal

Dear parents and carers

Term 3 is progressing with the usual busyness we expect at KPS. We have approached our midpoint of this term and over the coming weeks we have many wonderful events happening and being organised by our school. We are busy practising for our Faction Carnival on September 8th. We will be wishing all students a fantastic day and know they will put in a huge effort in every event. A special thank you to our Phys ed Specialists- Mr Phil Green and Mrs Maria Heard, who go above and beyond to ensure our students are practising their skills and learning to push their own limits!

There are many events this term, so please stay informed via our weekly reminders and connect communications. I'd like to take this opportunity to extend a warm welcome to our new families who have joined us this term. We have recently welcomed families from Sri Lanka, Nepal, China, and Bangladesh. It has been pleasing to see your children settle in well with the help of their new friends and staff at Kardinya PS. At our last P & C meeting we discussed how best to support incoming families, particularly those who have come from international destinations. I'm sure you will quickly feel a part of our welcoming school community.

One Big Voice and Massed Choir

Last week our students participated in One Big Voice and auditions for Massed Choir. Anwyn Gomez and Riyam Al-Jalely represented Kardinya at the auditions. Mrs Fourie said that both girls were very nervous but both put their best foot forward. Mrs Fourie also said the competition was quite tough. Of the 13 who auditioned for solo parts, only 6 are chosen to get solo parts. Anwyn Gomez was selected as soloist for one of the songs. Riyam got a call back but unfortunately didn't get the compere role. They are both to be congratulated on their efforts and their talent. Congratulations to Christiano Lim and Jada Allan for their roles at One Big Voice. I'd like to also acknowledge all the personal time that Mrs Fourie gives to our school in these types of events that are so fulfilling for our students as she always goes above and beyond to support students to believe in themselves.

Class Placements 2024

In Term 4, I advise parents via the school newsletter that student placements are being considered for the following year. Parents and carers may provide myself as Principal with specific information about their child's learning needs. Such information would not include a request for a particular teacher. The information should be provided in writing (letter or email), directly to myself as the principal and not via a third party or the schools general email address. This information will be referenced, along with other available information, during the class placement process. Requests should be made each year and not assumed previous requests are considered. If this process is not

followed the request will not be considered. ***Parents are also advised that these requests are considered but not automatically accommodated.***

Our student leaders

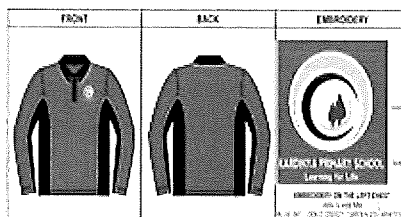

Each Friday at lunch time I meet with our wonderful student leaders to discuss the 'Monday Muster' and up and coming events in our school. They are a dedicated group of young people who have a voice in our school. During our meetings they share their thinking about possible ideas for where we can make our school an even better place to be.

Leaders have organised wear your pyjamas to school day on Monday, September 4th to raise funds for Diabetes research. Please wear your PJ's and bring a gold coin donation on this day.

School Uniform News

Our school uniform now has a long-sleeved top! Our school is so thankful to our P & C Uniform Coordinator- Mrs Emily Essex, for all her hard work in making our new tops a reality. Mrs Essex has done a lot of groundwork to get us here and we are very thankful. She has also been working on school dress requests in our uniform and we have decided on a colour and style from a choice of many. We are looking forward to seeing the new dresses and long-sleeved tops being worn by many students in term four.

Use of Therapy Dogs in schools

Our school has been in talks with our School Board regarding alternatives in the busy and often stressful environment of schools and workplaces. At KPS it makes sense that we need to find new ways to provide students and staff with an opportunity to calm and reset throughout the day. Staff and our health and wellbeing officer, Mrs Lina Davidson, are working with students and introducing Ollie and Rufus as non-judgemental, approachable, positive supporters, of the physical and

psychological wellbeing of our students who may engage with our furry friends. We have already had some success and are looking at introducing Ollie as a full therapy dog in 2024. The use of Therapy Dogs in schools and workplaces is a new phenomenon and there is a growing body of evidence recognising a range of benefits resulting from interactions with animals which positively impact the physical and psychological health of those who interact with them. Recent studies have found improvements in cardiovascular health, improved immune system function, improved pain management and a decrease in the experience of stress and anxiety following interactions with a range of animals.

Research in several university settings even found a significant improved in exam results following interactions with a dog in comparison to a group of students who did not engage with the visiting therapy dog. It is purported that the improvement in results was due to the calming and settling effect of the visiting therapy dog which assisted exam participants to manage their anxiety and support concentration. It really is quite amazing how such a small intervention can result in incredible outcomes!

Book Week

Book Week will take place at KPS between 11-15 September (Week 9). This year's theme is 'Read, grow and inspire'. Author, Kylie Howarth will be running sessions with our students on Tuesday 12th and Thursday 14th September. Book Week Parade is occurring on **September 14th**. The book parade dress up will be on Thursday 14th September at 8.50am in the old under cover area.

Faction Athletics Carnival

Our Faction Carnival is due to occur Friday 8th of September. We have also tentatively booked a backup day (Tuesday, 12th of September) in the event of inclement weather. We understand that is not ideal for parents who may have booked time off work for the carnival, but weather has been very unpredictable lately. Fingers crossed we can all enjoy this much anticipated event on our chosen day.

Open Night

We invite all parents and carers for Open Night on Tuesday September 19th. This event will begin at 5.30pm in the Bardip Undercover area which will be our formal opening. Classroom will be opened to visits from 6.00-7.00pm. We are excited to showcase our work to parents and community members.

Swimming

KPS is pleased to announce that we have secured the following swimming dates for 2024.

Term 1- Year 5 & 6 in Week 5 & 6 as beach swimming lessons.

Term 4- PP-Year 4 in weeks 3 & 4.

Staffing

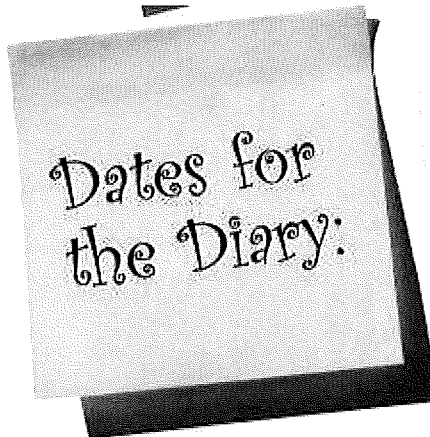

I will be taking some overdue LSL in week 10 of Term 3. Mrs Michelle Neve will be Acting Principal in my absence. While I am on leave, we are fortunate to have a capable team of educators and administrators who know our school well. They will collectively oversee the day-to-day activities and continue to uphold the high standards our school community values.

Warm regards

Melanie Clark

Principal

Save the date

Tuesday 29 August - Fathers' Day afternoon Kwenda 3 Yellow 2.15 - 3pm

Wednesday 30 August - Assembly Yonga 13 & 14

Friday 1 September - Fathers' Day afternoon in Kwenda block 2.15 - 3pm

Tuesday 5 September - Faction Athletics Carnival - Jumps and Throws events

Wednesday 20 September - EduDance Concert Red (Yonga 13, Kwenda 2, Yoorn 8 & 10, Kulbardi 17 & 20)

Friday 22 September - Golden Ticket Morning Tea

END OF TERM 3

A student's reflections of the Athletics Carnival

"Go Red!" I shout as the sprinters line up to race the 100 metre sprint. Mr Green counts down "On your marks, get set, Go!" They take off running down the lanes and zoom past. They start to get faster as they cross the end. Ms Burrows announces on the microphone in 4th place gold there is a cheer from gold. 3rd place Blue there is another slightly louder cheer from blue. In 2nd place is... there is a silence like no other as she announces that Green has come in 2nd place! There is a roar from Red as she says congratulations to 1st place Red! We roar and cheer as we high-five each other We Won! At least as Faction I hope this will be the outcome! Who will you be cheering for?

The Faction Athletics Carnival is happening in week 8 Friday the 8th of September. There are 4 sessions 1 on the morning 2 in between Recess and Lunch and the Final after lunch. There is also an event on Tuesday when there will be Jumps and Throws. We tryout in our Physical Education class. Where Mr Green (our teacher) teaches us how to do the sports and tryout for our faction. Year 3 to 6 are in these events. On Friday day there will be a session in the afternoon where all the relays will happen. There is one relay where all of the years do a baton relay.

There are fundraising events such as the cake stall where parents can bring in sweets to be sold at a stall. Parents are welcomed to the event and are also welcome to help out at the stall and cafeteria. All money goes towards the school. These events are run by the P&C. This event is an awesome opportunity for kids to play sport and have fun! Come down to the Athletics Carnival it's going to be a blast! See you there!

By- Anwyn Gomez

FLAT RACES, PARENT, STAFF & STUDENT PASSRAIL AND PRESENTATIONS 2:00 - 4:00

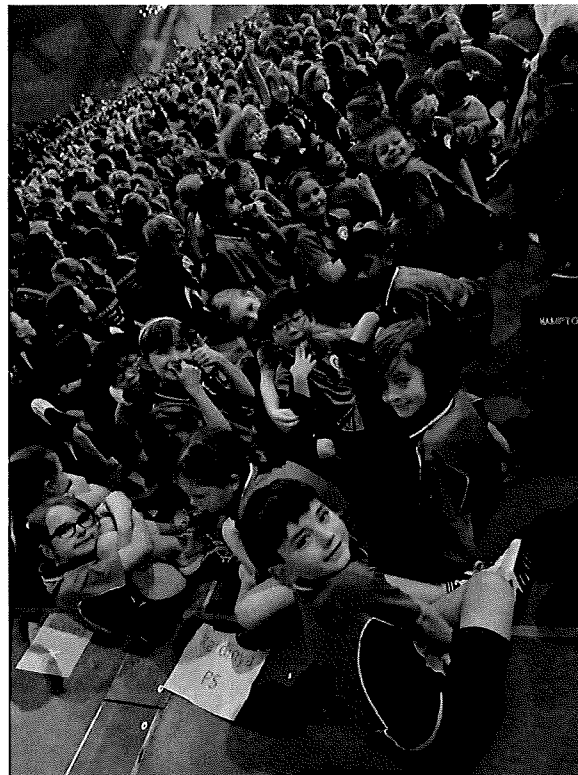

On Friday August 18, Yoorn 9 and Yoorn 10 performed at the RAC Arena as part of One Big Voice. 120 primary schools from across the regional and metropolitan areas took part in either the matinee or evening concert. With 7500 students performing to a packed crowd it was certainly a day to remember.

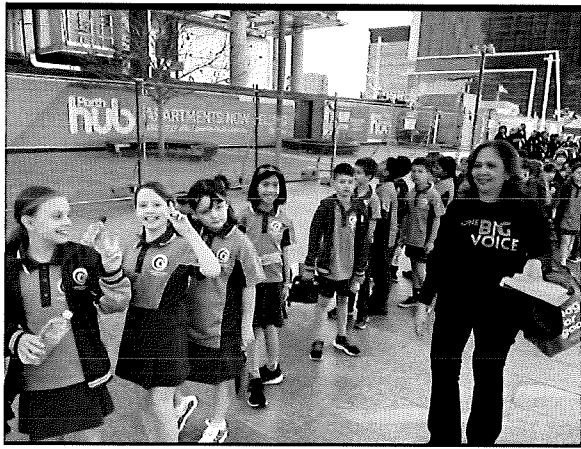

grow and is making a difference in all participants' lives. It builds musical confidence in teachers and students alike. One Big Voice supports and enriches the development of a positive self-identity and provides opportunities for confidence building, motivation and a sense of belonging. The benefits of positive thinking and a positive attitude are well documented. Researchers continually find that people with positive attitudes are happier, healthier and live longer than those with negative attitudes towards life. If 7500 children learn and sing songs about peace, joy, love, harmony and other positive messages, what kind of difference could that make? The lyrics of the 10 songs that the students had to learn were carefully chosen with this in mind.

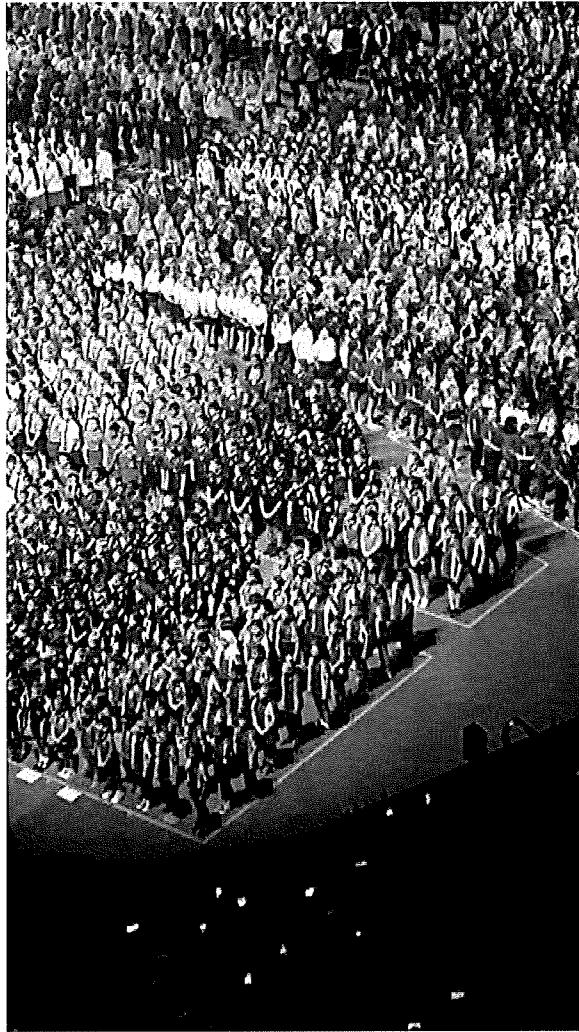

Congratulations to Jada Allan and Cristiano Lim who were chosen for compere roles for the show. They spoke with such confidence and did a wonderful job in front of a packed crowd. The students sang so beautifully and enjoyed being part of a massed choir. We are hoping to make this an annual event for Year 3 students.

Ms Cheryl Fourie

Music Specialist

Massed Choir Festival

On Wednesday our School Choir attended their first cluster rehearsal at Churchlands SHS for the upcoming Massed Choir Festival. This festival runs over nine nights from the 13th to the 22nd of September at the Perth Concert Hall. Kardinya Primary will perform with 13 other schools on **Friday the 15th of September**. Students worked hard on Wednesday and still have some fine tuning to do before the next cluster rehearsal on Wednesday, 13th September at the Perth Concert Hall. It is essential that **all students** attend the last three choir sessions before the concert. We can all have a break in Week 10 where there will be no early morning rehearsal.

Congratulations to Anywn Gomez (solo) and Riyam Al-Jalely (compere) for representing Kardinya Primary in the audition process for this year's Massed Choir Festival at Wembley Primary. Both students displayed readiness and responsibility throughout rehearsals which were carried out in their own time. The process of auditioning has been a valuable experience and both students did us all very proud. Whilst Riyam was unable to secure a part this year, we would like to thank her for doing her best and showing strong resilience. Anywn was selected for a solo role and we look forward to seeing her on stage.

Tickets are selling out very fast. If you still need a ticket, you can purchase online through the Perth Concert Hall or Ticketmaster.

The Great Vegie Crunch!

Our school is taking part in the Great Vegie Crunch, joining with schools Western Australian to simultaneously crunch on fresh vegetables - and have fun doing it!

WHEN: Kardinya PS is celebrating during the week of 18 - 22 September. On Wednesday Sept 20 we will all eat our crunch and sip together to see how loud we can crunch. We are very excited to have a visit from "The Vegeperson" on that day to help us.

It would be great if your child brings some fresh, washed vegies to crunch on during the above week but also, we are encouraging lots of vegies to be eaten for all of September. Maybe a carrot or sugar snap peas, or cut up some capsicum, broccoli, cucumber or celery? Unfortunately, only 1 in 6 children in WA are eating enough vegies. So let's get vegie crunching.

Thank you for your support.

Mrs Maria Heard

Health and Phys Ed Teacher

Wellbeing - Shout it, shout it, shout it out loud!!!

(Thanks for the title KISS)

Has someone made you smile today? Why not send them a shout out? <https://kardinyaps.wa.edu.au/shout-outs/>

Know someone who could use a pickup, a little sunshine to brighten up a tough week? Shout it out!! <https://kardinyaps.wa.edu.au/shout-outs/>

Did someone do you a favour and pick up your kids? Send them a shout out...
<https://kardinyaps.wa.edu.au/shout-outs/>

Who or what has impressed you lately? <https://kardinyaps.wa.edu.au/shout-outs/>

Making someone else's day is never a waste of time. A friend, another parent, a teacher, the office staff, gardener, cleaner... what about acknowledging a student group.

<https://kardinyaps.wa.edu.au/shout-outs/>

It takes only a minute to make a difference to another person's day.

Will you be that person??

What's happening in Art & Science this term

We are very much looking forward to sharing our Art & Science projects at the upcoming Kardinya PS Open Night in Week 10.

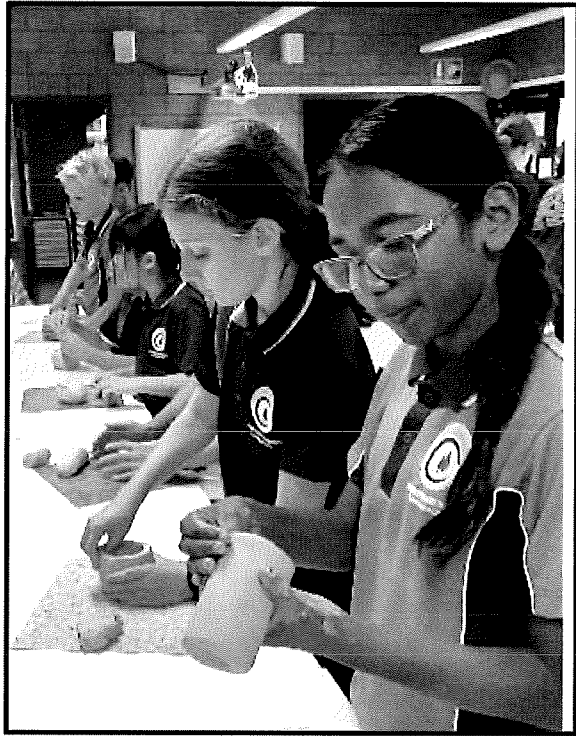

These pictures will give you a hint about what we are learning! All students in Years 3-6 worked with clay to create a symbol of our sustainability goals.

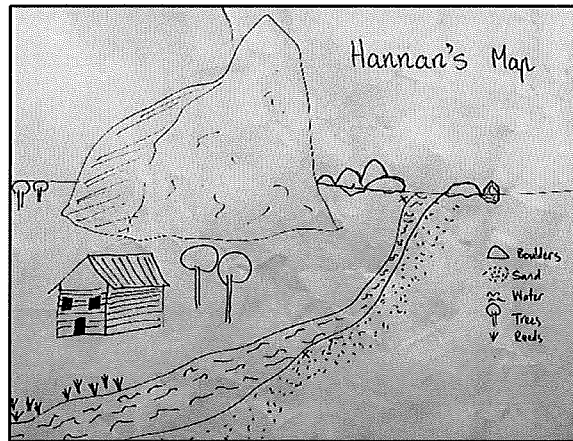

Yoorn 9 & 10 have been learning about Earth's place in space and what causes night and day. When we were preparing the backdrop for our puppet shows, we also discovered that our sun is a star in the Milky Way. It will be exciting to discover where our puppet space explorers go adventuring!

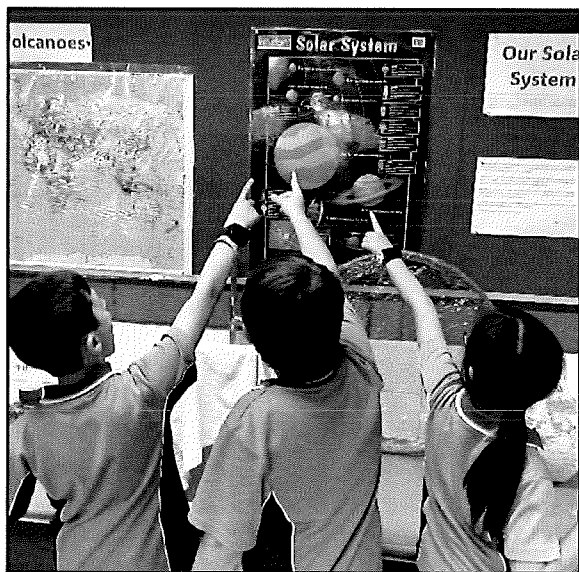

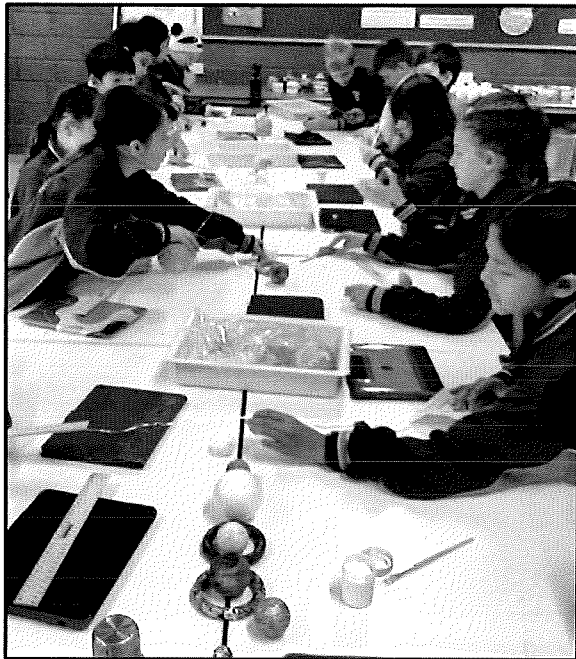

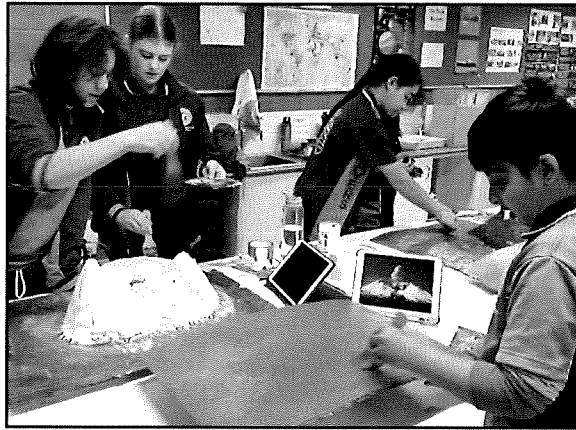

Kulbardi 20 have been learning about rocks and soils. Their "cork people" have taken them to all kinds of landscapes as they explore the natural and human causes of erosion.

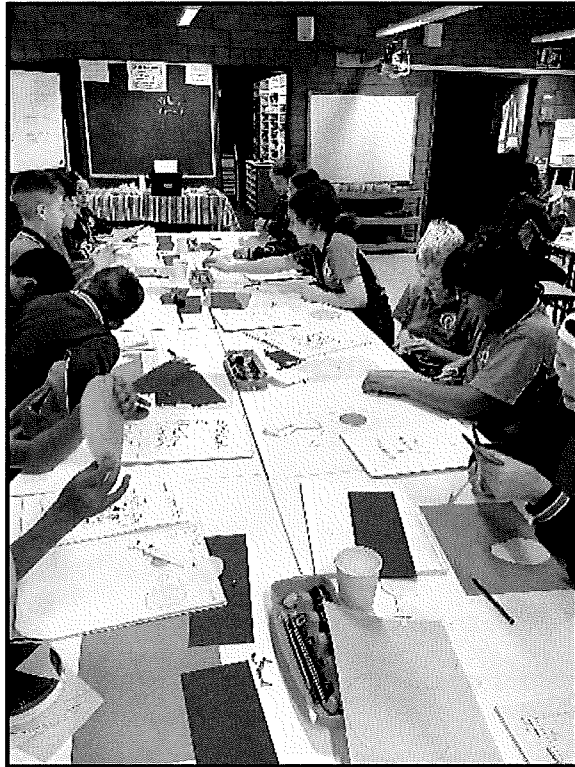

Kulbardi 21 have travelled deep into space to learn more about the other planets in our solar system. Their "Dolly Peg" astronauts will be finding their way to these planets in some extraordinary space machines!

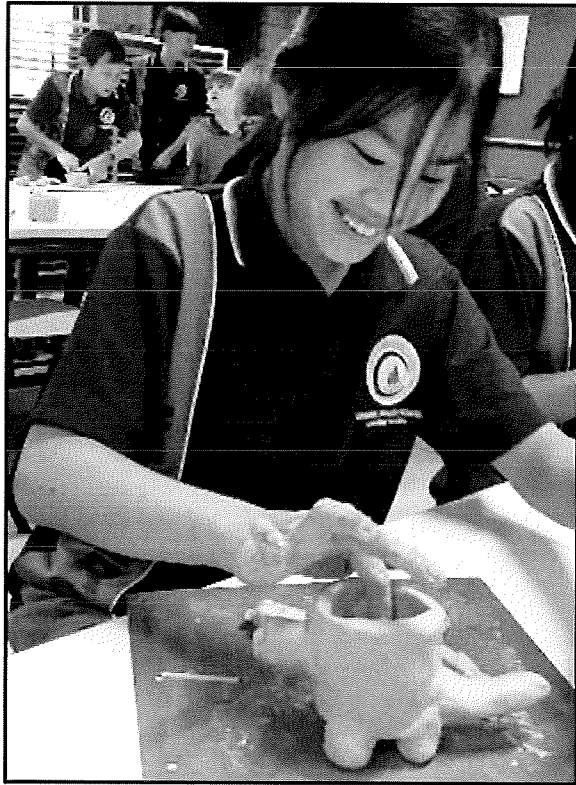

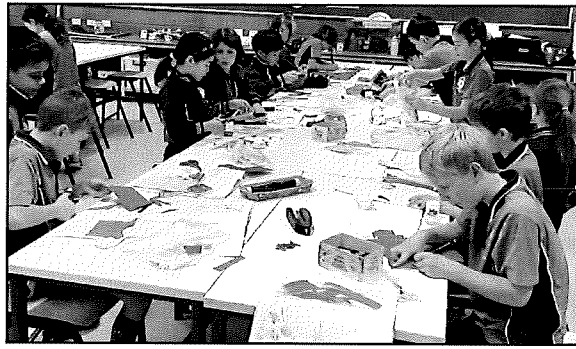

Kulbardi 17 have been surprised to discover just how many active volcanoes there are. Scientists are busy collecting information about recent volcanic eruptions which they will be presenting soon. Stay tuned....

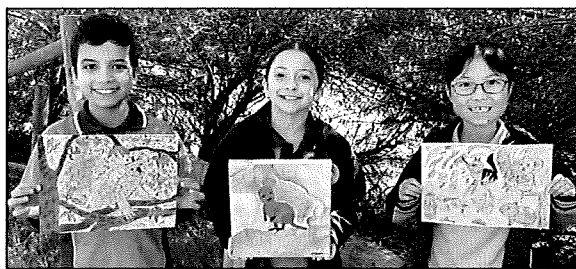

High praise for Aria, Ocean and Callista for the delightful artworks they created for the "Wild at Art - 2023 Art Competition". This competition is designed to raise awareness about the extinction crisis facing many of our unique Australian flora and fauna species. Your care for our wildlife and your art is fantastic.

CONNECT - our main communications platform

KPS uses CONNECT as our communication platform. CONNECT is a secure online learning, support and communications platform developed by the Department of Education WA for staff, students and parents in public schools.

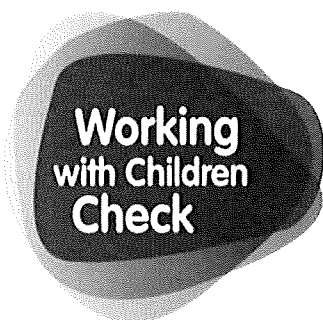

Teachers use CONNECT to deliver content to the students via an online classroom and to share classroom activities and photos. This means your children will be able to share with you what they are learning about, submit assignments and complete class activities and projects.

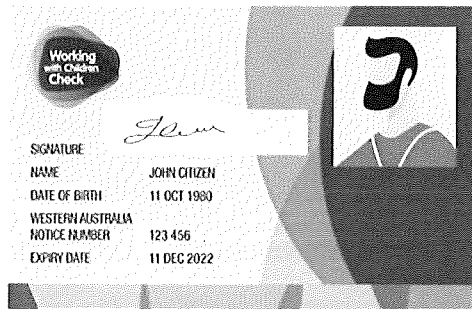

Parents can use CONNECT to have easy access to information relevant to your child's classes and learning such as learning activities, teacher feedback and class as well as whole school information.

We use CONNECT to keep you updated with important information. Notices for upcoming events, excursions, reports and newsletters are published via CONNECT.

CONNECT is totally free and because it is provided by the Department of Education, very safe. As well as being able to log into CONNECT on any internet connected device, you may also receive notices sent as either an email or notification on your phone. A free app called CONNECT NOW can be downloaded from Google Play or the Apple App Store and will let you receive CONNECT notices as push notifications. If you require some assistance with CONNECT please see the office for a Step by Step guide.

Working With Children Check for all school visitors

We thank all our parents who generously volunteer their time and energy to support our school community. **There are some changes** to the Working with Children Check policy, to ensure the safety of children when we have volunteers in the school.

If you would like to volunteer at our school, you will need to sign a **'Parent and child volunteer declaration form'**. You cannot volunteer if you have a current Working with Children Negative Notice or Interim Negative Notice.

These changes affect parents who are engaged in volunteer work. For example, you are considered a volunteer when you assist with activities such as reading sessions, day excursions, canteen duties, helping at a sports carnival or carrying out P&C duties.

You are not a volunteer when:

- picking up and dropping off your child
- observing events like school assemblies
- attending parent and teacher interviews
- visiting the uniform shop.

If your circumstances change, and you are issued with a Negative Notice or Interim Negative Notice after completing the 'Parent and child volunteer declaration form', you must advise the principal.

A current Working with Children Check is required by all other family members and friends over 18 years of age who want to volunteer.

It is a collective responsibility to ensure the safety of our children. We appreciate your ongoing support and dedication to our school community.

SIGNING IN AND OUT AT KARDINYA PRIMARY SCHOOL

All visitors to the school, parent helpers and volunteers as well as students signing in late to school or being signed out early for any reason by parents / carers are required to do so in the Front Office using the iPad.

Excursion / Incursion forms via email

You are invited to take this:

**Incursion - HOSPITAL
FAMILIARISATION PARENT/GUARDIAN/CARER
INCURSION INFORMATION AND CONSENT**

Morning, your child's class will be participating in the Incursion for the Hospital Familiarisation. Could you please complete this form and payment \$5.50 by Friday 4 August. Thank you

Start now

You will complete the form via Microsoft Forms
[Terms and conditions](#) | [Privacy policy](#)

A reminder that all Excursion/ Incursion Information and Consent forms are now being sent home via email.

Using Microsoft Forms, you are invited to complete and sign the form online and select submit. This process is less time consuming and more environmentally sustainable.

Payment methods remain the same; Direct debit (with Student name and form as reference), EFTPOS (available at the Front Office) and Cash (correct money in named envelope placed in black letterbox outside administration).

The illustration shown is an example of the email you will receive inviting you

VacSwim Swimming Lessons in the school holidays

Enrolments are now open for VacSwim swimming lessons during the October and summer school holidays.

VacSwim offers fun lessons at beach or pool locations across WA. It's a great school holiday activity that teaches valuable safety skills to help keep your child safe in the water.

Your children can start as young as five years old.

Places are limited, so get in early. Enrol your children in VacSwim now at education.wa.edu.au/vacswim¹

MSHS - Dates & Events for Year 6's enrolling for next year

For those families with Year 6 students who are enrolled to go into Year 7 at Melville Senior High School, the following dates and events are applicable.

Term3

- School Tours - 9th - 30th August
- Communication from MSHS re Subject Selection, Newsletters, Specialist Programs, Parent Interviews if required
- Trials for Specialist Netball Program continuing.

Term 4

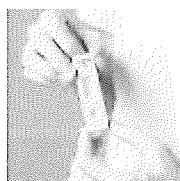

- Year 6 Parent Night - 18th October
- School Tours - 18th -29th October
- Primary School Netball Carnival - 27th October
- Learning Support Transition Day - 15th November
- Year 6 Schools Transition Day 20th & 24th November (to be advised)
- Year 6 Netball Program Orientation 22th November.

MELVILLE
SENIOR HIGH SCHOOL

1 - <https://www.melville.wa.edu.au/>

Free RAT Tests

¹<http://education.wa.edu.au/swimming>

Regular testing for COVID-19 continues to be an effective strategy to keep our schools and communities safe. It is best to test if you have any flu-like symptoms, such as;

- fever (above 37.5 degrees)
- cough
- shortness of breath
- sore throat
- runny nose
- loss of smell or taste

Free RAT tests are still available from the Office for distribution to the school community. Please be sure to collect some at your earliest convenience. (Please also note they cannot be given to children to take home.)

Staff Carpark - NO Parking please!

Please be reminded that there is **NO PARKING** in the **STAFF CARPARK** at all times. The ACROD bay is available only when ACROD Permit is displayed.

Traffic around the school

For the safety of our students we ask that you take extra care in vehicles around the school. Please do not park or drop students off in the Staff carpark. The Staff carpark is for Staff and commercial deliveries only. There are two disabled bays in the Staff carpark for ACROD permit holders. Parents are asked to use car parks to the west (Ochiltree Way) and north (Sullivan Way) of the school. Please avoid parking in front of the rubbish dumpsters.

For your convenience we have kiss and drive bays on Ochiltree Way facing the school. It is not a parking zone so please do not leave your car in this area. In the interest of safety and traffic flow parents are urged to voluntarily use Ochiltree Way as a one way street before and after school, travelling clockwise around the block if not stopping in the carparking areas.

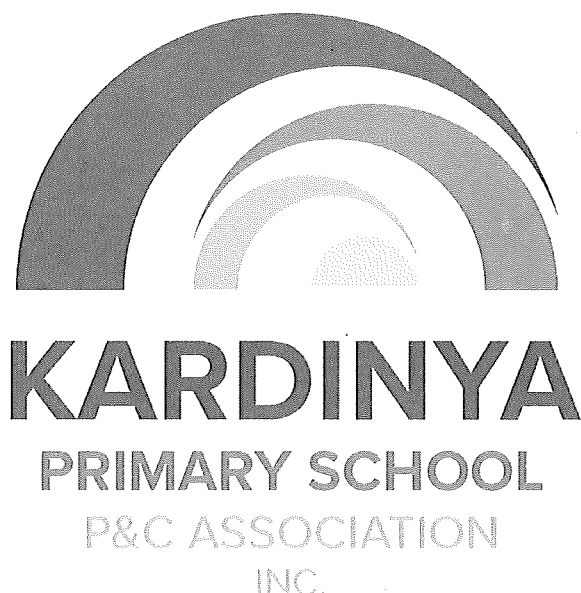

Lost Property

Our Lost Property bucket is full of school jackets, hats, lunchboxes and water bottles, as well as some lost items still unclaimed from Swimming Lessons earlier in the year.

It is located outside the Medical Room in the Administration Block - please check for any missing items. Please also ensure all of your child/ren's items are clearly named.

P&C News

We hope everyone had fun at the **SCHOOL DISCO** last week! It was such a great turnout, with around 270 tickets sold and approximately \$2300 raised for our school. A big thankyou to all of our volunteers, and to Mick's Mix who kept the dance floor pumping.

Last weekend, a few members of the executive committee attended the **WACSSO CONFERENCE**. This saw P&C associations from all over the state gather to share ideas and advocate for stronger school communities. Kardinya representatives put a question to the Education Minister and Director-General about some much-needed infrastructure at our school, to support our Principal's efforts for some action and funding in this area. Plus, we won a \$250 Coles voucher which will likely feature as a prize in an upcoming fundraiser! We learned a lot, and we now have a lot of ideas swirling which will be discussed at our next meeting.

Speaking of our **NEXT P&C MEETING**, it will be on Thursday 26 October, from 6.15pm in the meeting room (next to the staff room). If there's enough interest, we can set up a video link for those who would like to join virtually. Anyone from the school community is welcome, and you can become a P&C member at any time during the school year.

Now, we're preparing for **FACTION CARNIVAL DAY on FRIDAY 8 SEPTEMBER**. We've arranged a coffee van for spectators, and we'd be so grateful for any contributions to our cake stall. Bring along your sweet or and savoury goods to the **CANTEEN** (in the undercover area where school assembly is held) between 2pm and 3pm on Thursday 7 September, so we have enough time to set up for the next day. We know there are some famous and very hotly anticipated recipes out there! Please remember to include a full ingredient list, avoiding nuts and anything which would require refrigeration. Also at the P&C stall will be a selection of hair accessories, zinc sticks and sunglasses in all the faction colours.

Sadly, due to a lack of volunteers, our **UNIFORM SHOP** will only open one Thursday morning per fortnight from Term 4 onwards. Orders can still be placed via Quickcliq at any time and will be delivered to classrooms once the order has been fulfilled.

Finally, we want to hear from you! If you're connected to our school in any way, please tell us what you'd like to see more of (or less of) when it comes to the P&C. Share your feedback, ideas, constructive criticism or anything else you can think of by sending us an email or a message to our Facebook page [here](#)²!
